ATTENTION: ORDER FORMS

Please email commodity orders and monthly processing forms. We are in the process of eliminating the fax machine for accepting commodity order forms. This process will eliminate the LEA calling to confirm if a fax has been received. In addition to the monthly open order commodity form the monthly processing forms are now available on the Web and can be E-Mailed as attachments. All forms are located under the Commodities button on our Web site. LEAs will need to complete the forms, save the forms as a document in your files, attach the saved document to an E-Mail, and send to: webreplyascfocom@dese.mo.gov. Note the documents will be saved as an Adobe PDF.

The forms cannot be submitted directly after filling them out; they <u>must</u> be an attachment in an E-Mail. Please type your agreement number in the subject line of the E-Mail. When the E-Mail is received by our office, a notice of receipt will be returned to the LEA. If there is a problem with the order form(s) you will receive an additional E-Mail explaining the error.

The monthly open order form is no longer part of the Commodity Shelf Newsletter. You must obtain this form under the Commodities button on our web page.

Invoices

There have been changes in processing company invoices due to the fact that Pilgrims Pride has acquired Gold Kist. All Gold Kist invoices will now have Pilgrims Pride's name on them. Pierre Foods has acquired Zartic. All invoices will now have Pierre Food's name on them.

Prorated Commodities

Following is a listing of PRORATED entitlement and bonus commodity items expected to be available for the 2007-2008 school year. These items are prorated based upon your ADP. If you wish to refuse all, or any part of your allocation, your Authorized Representative must notify our office in writing at least <u>6 weeks</u> in advance of the estimated delivery period. These commodities are for use in authorized feeding programs only. Commodities, amounts, and delivery dates are subject to change.

The number shown in parenthesis for above product means your LEA will receive approximately one (1) case of that product per that number of Average Daily Participants (ADP).

Example: Peas, Frz (56)

If you have an ADP of 112 you can expect to receive 2 cases of Peas, Frz. 112÷56= 2 cases

^{*} If you had 25%, 50%, etc. of this product processed, adjust your ADP accordingly when calculating allocation rates. If you had 100% of this product processed, you will not receive any.

^{**} Make-up for Oak Valley Turkey not received.
